About

Playa de la Verga is in the 1th place out of 230 beaches in the Las Palmas region 47km away from its center, the city of Las Palmas de Gran Canaria. It is one of the most beautiful beaches of La Verga settlement, just 0.2 km from its center. The beach is located in an urban area.

It is a tiny several bays coastline with crystal turquoise water and white fine sand, so you don't need special shoes. The sharpness of entering the water is quite normal. This beach is suitable for different categories of people, lonely travellers, relaxation getaway lovers etc. It is very crowded place during the season.

By the way, there are some great hotels around the beach, including:Dúplex Caideros, Anfi del Mar, Casa La Vista.

Playa de la Verga coast is free for all. This beach has the following amenities, loungers and umbrellas, beach restaurant, showers, toilets. There is also possible to take different water activities such as catamarans or jet skis. During the season this beach line is supervised by a lifeguard
